Listening to New Mexico Caregivers

Members of New Mexico Senate Joint Memorial (SJM) 6 Task Force want to hear from family and wage-earning, professional caregivers.

SJM 6 Task Force has been tasked with making recommendations to the state legislature on how to better improve the quality of direct care jobs.

Your state Senator and Representatives will be asked to attend to hear about direct care issues important to you.

We want to hear from ALL family and wage-earning professionals in the area so will host multiple Listening Sessions across the state.

ALL are welcome, especially:

- **Frontline Healthcare Workers**
- **Direct Support Staff**
- **Community Health Workers**
- **Family Members and Caregivers**
- **Care Recipients and Consumers**

Register for the session you can attend at:
