*Very Special Thanks to:*

**Carrington College**

**Blue Cross Blue Shield  
of New Mexico**

**Workforce Connection of  
Central New Mexico**

Dear Caregivers,

Did you know there are Healthcare Guides and insurance brokers whose job it is to help you? You don't pay these folks anything; their job is to find YOU the RIGHT plan.

Are you aware you might qualify for a Federal subsidy to help pay for health insurance, based on your household's earnings? Depending on household income, your monthly premium could be very low--or even zero--depending on the type of plan you choose.

***Even though the Coalition's January 24-25 "Workplace Training for Caregivers" is full, we're opening the last hour of our agenda to all caregivers who need information on signing up for affordable health insurance.***

***Join us from 4:00 pm - 5:00 pm on Saturday, January 25, 2014 at Carrington College, 1001 Menaul NE*** to learn more about Healthcare Guides, brokers and even Federal subsidies available for purchasing insurance. There is no charge for this event.

You should also visit the NM Health Insurance Exchange to [find a broker](#) who will work for you. Or call the Exchange at 1-855-99-NMHIX at any time.

Meanwhile, stay tuned for upcoming "Workplace Training for Caregivers" classes, or let us know [HERE](#) if you wants more information on hosting a training session.

*The New Mexico Direct Caregivers Coalition training prepares caregivers to take the DCA Personal Care and Support Credential, a nationally-recognized exam that measures caregivers' knowledge and skills in eight core competency areas.*
